DELEGATES TO THE ELEVENTH NATIONAL 4-H CLUB CAMP

Washington, D. C., June 17 - 23, 1937

IOWA

<u>Delegate</u>	<u>County</u>
Russell Holz	Greene
Lois Madson.	Clay
Ruth S. Stoner	Davis
Arthur Wallace	Iowa

Mr. Holz has a 4-H attendance record at club meetings that is nearly perfect -- in 8 years he has missed only two meetings.

He showed the grand-champion barrow at the 1936 International Live-stock Show and has been helping to build up a purebred herd on his home farm. He has an enviable record in grain, dairy, and livestock judging.

Russell has exhibited baby beeves at the International and State fair and purebred pigs at the county fair, has helped to organize a local club and one other township 4-H club, was champion in the local health contest, won a trip to the Boys' Winter Short Course at Ames, and two trips to the National Club Congress. He has held the offices of secretary, treasurer, vice president, and president of his club.

Miss Madson has a 7-year club record. Last year she was a member of the winning clothing demonstration team at the Iowa State Fair and also represented her county in the State Better-Groomed Girl Contest. She was county health champion in 1935.

Lois is also interested in bread making and home furnishing. At the State fair she won first prize on an expense-account book. She has won a trip to the National 4-H Club Congress, the State fair, and the district camp.

She has been secretary, historian, vice president, and president of her club.

Miss Stoner has had 10 years' club experience, and her work has left many traces in her Davis County home. Ruth has refinished furniture and has made about 150 new and made-over garments in 4-H clothing work.

Ruth has given demonstrations in baking whole-wheat bread. At both State and county fairs she has exhibited biscuits, made-over dress, complete outfit, 4-H uniform, and made-over suit. She has been awarded trips to the National 4-H Club Congress, and each year for the last 5 years, a trip to the State Girls' Convention at Ames. She has filled offices of her club.

Mr. Wallace specialized in dairy heifers during his 8 years of club work, adding poultry in the later years. He has consistently shown good dairy heifers in his exhibits and has been a member of judging and demonstration teams. Each year for the last 6 years he won the county-showmanship contest, and for the last 3 years he has won the State record-book contest. His calves at the State fair and Dairy Cattle Congress and chickens at the State fair have brought him many "firsts."
